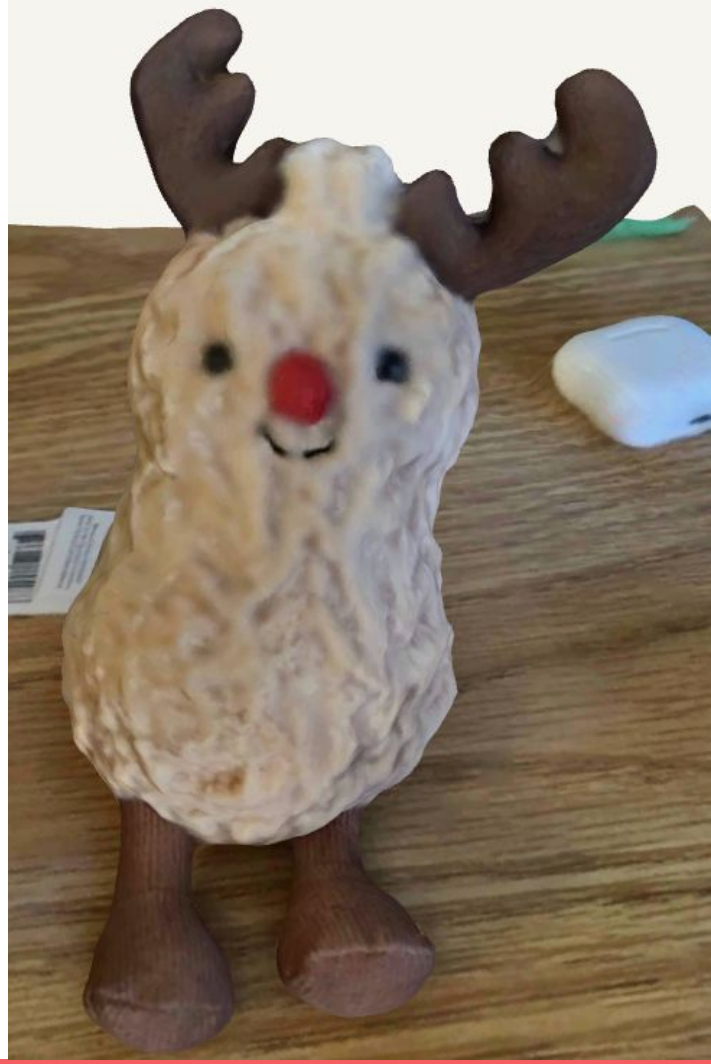
3. Story proposal

- Working from the perspective of Peanut
  - Showing growth and time through the plushie
  - Variety of locations and situations
  - Emotional tone
- Format: short video using AI
  - Storybook aesthetic
  - Giving Peanut a voice



4. AI tools we'll use

- **Image generation**
  - Backgrounds
  - Different places
- **Voice generation**
  - Narration
  - Different voices for different characters
  - Emotion
- **Music?**
  - Could be an option rather than looking for fitting stock music
  - Can get something more specific to our needs

5. AI-generated images to illustrate the idea

6. List of responsibilities

- **Project manager**: Evie
- **Writer:** Emma
- **Editor:** Juan
- **Image producer:** Alex
- **Audio producer:** Talia
